“ St. Lawrence set me up for my first job. After 28 years at AT&T, it was my last job too. My father died while I was a student at SLU. After that, the University awarded me a scholarship to help me complete my studies. When I wanted to study in Washington, D.C., my junior year, St. Lawrence supported my course work at George Washington University and my internship in the House of Representatives. St. Lawrence also introduced me to my husband.”

Are you aware of the following opportunities with the CARES Act?

- If you itemize, you may deduct gifts of cash to most public charities to offset as much as 100% of your adjust gross income.
- If you don't itemize, you may reduce your taxable income by \$300 for your charitable contributions in 2020.
- The IRA\* charitable rollover is still a tax-wise way, if you're 70½ or older, to make contributions.
