**YOUR  
LEGACY  
GIFT HELPS  
SHAPE OUR  
FUTURE**

# Create a legacy like no other.

Developing a will is an essential part of securing your legacy and your family's future. A gift by will, otherwise known as a bequest, can be any shape and any size. What matters is that your gift is uniquely you. Over the years, bequests have provided St. Lawrence critical support for our mission “to provide an inspiring and demanding undergraduate education in the liberal arts to students selected for their seriousness of purpose and intellectual promise.”

## Choose any shape.

You can create a gift in your will for any dollar amount, give specific property, or designate a percentage of your estate. This includes cash, securities, or other property. If you are uncertain, you can even make the bequest contingent on certain events occurring (or not occurring).

## Select any size.

The University has received all sizes of bequests and greatly appreciates them. Modest gifts, when added together with those from other donors, will make a difference. What matters is that you pick the size that fits you and your unique family and financial circumstances.
